

## MARCH 2010 PRESIDENT REPORT

- KEVIN BARTON -

Welcome to the March edition of the Bairnsdale Kart Club Newsletter!

Congratulations to those drivers who attended our February Club Day and took home the days trophies. Whilst numbers were somewhat down, I'm sure everyone would agree that a great day was had by all!

I'd like to take this opportunity to extend a very big thank-you to Nick Stray who has kindly volunteered to be our Club Treasurer and whilst I'm mentioning Committee positions, I'd also like to advise that we are in need of someone to take on the role of Publicity Officer. Brad McLeod who is stepping down from the role due to work commitments, has done a fantastic job and we do thank him most sincerely for his time. If you'd like to take on the Publicity Officer role or would like some more information on what it entails, please don't hesitate to let me know!

Whilst we're talking about volunteers, we're also looking for someone to help out with lap scoring. This role is vital for the smooth and effective running of our Club days, so please . . . give it some thought . . . we need your help!

A new points system has been developed for the 2010 racing season and this will be outlined in detail on the weekend. A couple of important changes from last year are that:

- There will be NO points awarded to drivers for just turning up, and
- There will be NO dropping of the worst round either.

There are a number of Pit Sheds available to anyone who may like one - they cost \$100 to rent for the year, so if you are interested, please let me know as soon as possible. If you already have one of the pit sheds, annual rental is now due!

**APRIL CLUB DAY** - Please note that we **will** be racing on Anzac Day **but** to an amended timetable:

11am - Arrive	12 midday - Entries close	12.30pm - Drivers Brief
1pm - Carby Session	1.30pm - Racing	

I look forward to seeing everyone on Sunday for our [March Club Day!](#)
